

2022 Registration Preparation

Dear Coaches, Advisors, Parents, Teachers, Boat Captains, and Club Admins:

Registration is just around the corner and we are expecting full fields and tight lines for the 2022 season! However, before you mark your calendar, make sure your anglers have completed the following qualifications:

1. Renewed or active BASS Membership

- a. Create or renew **HIGH SCHOOL** or **JUNIOR** membership:
https://secure.palmcoastd.com/pcd/esv?iMagId=57000&i6Ky=TESTLL&iOrderType=ORD&iMemberType=H&iPromo=I**BMLL1
- b. Or call here: **(877) BSS-USA (227-7872)**

2. Active Nation Club Member

- a. Coaches, please make sure your Nation Club dues are paid for all 2022 competing anglers.
- b. Roster Login page: <https://ssl.palmcoastd.com/app/bass/nation/roster/?x=login>
- c. Roster Login Instructional video: <https://youtu.be/otYi-sudn84>

Registration Fees will be \$50 per tournament. Anglers will be charged a \$50 Late Fee after the Last Day to Register.

All registration changes need to be made prior to the day Registration Closes. After Registration Closes, any alterations made to tournament registration will be charged an additional \$50 fee. This includes all partner changes, boat captain changes, and division changes.

Registration changes that require an angler to transfer into a different division will result in the loss of their initial time stamp, and the angler will be placed at the next available waitlist position of the correct division they wish to compete in.

Please note, any requests or registration changes sent to the Tournament Department after 5PM will be considered 'submitted' the following day.

REGISTRATION TIME:

High School: Wednesday **December 8th** 3:00PM Central Time

Junior: Thursday **December 9th** 3:00PM Central Time

Please email BN@Bassmaster.com if you have not accessed your roster or if you have questions about the status of your anglers.
